

Environmental Technologies in Croatia (2015)

B2B Event - Water and wastewater sectors

Business Trip to Zagreb, 13th – 16th of September 2015

The 2015 Business Partner Mediation Project for Croatia is aimed at German companies in the area of environmental technologies: water- and wastewater management. trAIDe GmbH will orchestrate all the support activities within the project and will thereby actively assist all participants in their first steps on the Croatian market.
