Viola Somogyi

 (+36) 30 6107027

 somogyiv@uni-pannon.hu

WORK EXPERIENCE

1 Jan 2016–Present

University of Pannonia, Veszprém (Hungary)

Research area: Wastewater treatment and Shallow geothermal energy
Lecturer of courses:

BSc level: Environmental Management, Environmental Management Systems, Health and Safety, Risk Management

MSc level: Environmental Management, Life Cycle Assessment, Environmental Management Systems, Environmental Modelling, Health and Safety

Researchgate profile

1 Sep 2009–31 Dec 2015

Assistant lecturer

University of Pannonia, Veszprém (Hungary)

1 Jan 2007–30 Jun 2009

Co-worker

University of Pannonia Regional University Knowledge Centre, ÖKORET project – Wastewater Expert System (WES) research group., Veszprém (Hungary)

Task: development of the optimization software.

EDUCATION AND TRAINING

Sep 2006–Aug 2009

PhD studies

EQF level 8

University of Pannonia, Veszprém (Hungary)

Area of research: wastewater treatment, optimisation, dynamic simulation

Title of thesis: Optimization of municipal wastewater treatment plants based on modelling software

Sep 1999–Jan 2006

Environmental Engineer

EQF level 7

University of Pannonia, Veszprém (Hungary)

PERSONAL SKILLS

Mother tongue(s)

Hungarian

Other languages

English., German
