# 15<sup>th</sup> International SUPPLY CHAIN CAMP

11 years of Logistics Training Camp background

Newly improved concept in 2017: International Supply Chain Camp

40+ participants from all over Turkey and the world come together to discover supply chain with professionals!

5 days,4 nights of accommodation at one of the greatest hotels in Besiktas / Istanbul

Lots of seminars given by best professionals in the sector about different topics of Supply Chain

A lot of interactive activities such as case study, beer game etc. take part in International Supply Chain Camp

Two technical tours are organized each year for participants to see a real factory and learn the job from professionals.

And parties, city tours and a lot of fun activities are in order. We learn, also we do have fun!
