

International Students Symposium on
Logistics and International Business

Vilnius, Lithuania

TECH REVOLUTION

"NEW TECHNOLOGIES FOR SUPPLY CHAIN
AND BUSINESS TRANSFORMATION"

ABOUT THE SYMPOSIUM

The International Students Symposium on Logistics and International Business is an annual gathering of students, academics, and industry professionals from across the globe. Hosted by *Vilnius Gediminas Technical University, Faculty of Business Management*, this prestigious event serves as a platform for the exchange of knowledge, ideas, and insights in the field of logistics and international business.

WHY ATTEND

Gain valuable insights into the latest advancements in technology, industry trends, and best practices.

Network with like-minded individuals, engage in fruitful discussions, and forge valuable connections with both academic and industry professionals.

The papers will be published in the online proceedings. Selected papers will also be published in the journal "Logistics, Supply Chain, Sustainability and Global Challenges" issued by Faculty of Logistics, University of Maribor.
