

PRESENTATION

The 3rd International Polymers Processing Conference (IPPC 2013) aims to bring together academic researchers and industrial partners involved in the field of polymers processing.

IPPC 2013 will cover all the important areas in the field, including, but not limited to, state-of-the-art research and technology development characterization, numerical modeling, manufacturing and many new and emerging applications of polymeric materials.

Venue

The city of Sibiu, located in the heart of Romania, is one of the most important cities in southern Transylvania, with a rich history, dating back to at least the 12th century AD, and with a remarkable economic development potential, already hosting the facilities of many important international companies.

The "Lucian Blaga" University of Sibiu is the main university of the city, comprising 20000 students studying at 8 faculties such as Engineering, Law, Economic Sciences, Medicine etc.

Getting to Sibiu

By plane:

There are daily direct flights to and from Sibiu from and to Munich, Stuttgart and Vienna, as well as three flights a week to and from Bucharest.

By train:

Sibiu can be reached by direct train links both from major cities of Romania and from several European cities.

By car:

Sibiu is crossed by the European Routes 68 (Szeged, Hungary – Brasov, Romania) and 81 (Mukacevo, Ukraine – Constanta, Romania)

CONFERENCE TOPICS

The conference will comprise papers on the topics listed below:

- Polymer and Biopolymers Structures and Properties
- Rheology and Rheometry
- Mixing and Compounding, Blends and Alloys
- Injection Moulding. Mould Design
- Extrusion. Extruder Design.
- Modelling, Simulation and Processes Design
- Mechanical behavior of polymers and polymer composites
- Recycling and Reprocessing

CONFERENCE FEE

Registration fee for authors: 250 EUR

This fee covers the participation at the conference, the conference materials and the participation at the conference banquet.

TECHNICAL DETAILS

The conference language is English.

All interested participants are invited to submit an abstract (max 300 words) and paper following the instructions on the conference website:

<http://conferences.ulbsibiu.ro/ippc2013/instr.doc>

All abstracts/papers must be submitted in an electronic format (Microsoft Word 2003 or newer). The manuscripts will be reviewed by the IPPC Scientific Committee, and decisions of acceptance will be communicated to the authors. Papers accepted for presentation will be published in the IPPC Proceedings. Selected papers presented at IPPC will be published in a special issue of the *Academic Journal of Manufacturing Engineering*, in the *International Journal of Materials Engineering Innovation* (Interscience UK) or in the *Materiale Plastice* journal. Authors will be contacted after the conference for reformatting their papers according to the requirements of the journal.
